

Underground Modesty Guidelines

Why Modesty Guidelines? To Assist All Of Us:

1. make Jesus & our personality/character the focus
2. honor each other ... by not causing our brothers and sisters to stumble with impure thoughts and desires
3. have clear direction in what to buy/wear
4. not cause individuals to feel “targeted”/embarrassed

Dress Guidelines:

- A. Wear only **shirts** with sleeves that don't expose your stomach/back when you bend over or raise your arms. You are free to *roll up your sleeves*. Please no tank tops, muscle shirts, wife beaters, spaghetti straps, mid-riffs, sleeveless tops or those with a *low-cut* front.
- B. The length of all **shorts** are to be just above the knee, whether they are bermuda, board, dickies, denim or cargo shorts.
- C. **Tops, pants** and **shorts** are not to be *super tight*.
- D. **Undergarments** are not to be seen and pants/shorts/swim trucks are not to *sag*. Guys are to wear a shirt unless swimming.
- E. Girls are to wear a **T-shirt** -- that does not become “see through” when wet -- over their **swim suit**.
- F. NOTE: As a precaution, you will need to pack a pair of “*beat up*” *long pants* (no shorts allowed/potential skinned knees/hole in pants) or *knee pads* when playing *Cajabi Can-Can*.

Parents: Please help your son/daughter pack for camp.

Students: Not sure about the appropriateness of your outfit? Please ask a youth staff **BEFORE** you leave your cabin.

Question To Consider: *If Jesus were to walk into your presence, would He be pleased with what you're wearing?*

Thanks for your cooperation in making this the best summer camp yet -- because **Jesus** and **His righteousness** will be **EXALTED!**
